Please note: Turf Fields are under a dome in the Winter

For your Safety:

Please DO NOT stop or park anywhere along the laneway in front of the RA's East entrance. It is prohibited to stop or park in the laneway because it is a fire lane and poses a significant risk to your safety and the safety of others.

As it can be unsafe to make a left hand turn from the West Entrance of the RA Centre, we encourage using the safer route at our East entrance (off Data Centre Road), where there is a left hand turn light.
